The modern interpretation of classic style elements

Add a stylish, luxurious, and glamorous look to your interiors with Versailles – the perfect way to infuse your home with royal splendour!

United by the principle of 'refined elegance', the new designs pay homage to French classicism in a new modern, discreet, and stylish world of colour.

The collection contains several exquisite designs and a new plain structure in lovely colours. In softly coordinated white, cream, beige and grey, the new designs are in line with the current colour trend and, in combination with gold and black, spread a feeling of noble luxury.
